**Join us for a transformative leadership experience and steer your organisation towards success with our exclusive four-day programme.**

Leading with Impact is designed specifically for professionals and senior leaders in strategic and head-of-role positions. Dive into a curriculum crafted to elevate your leadership skills and prepare you for the complexities of modern leadership.

Run as two modules of two days each, you will have the opportunity to bring your real life leadership challenges and opportunities into focus as we cover topics such as Leading at Scale, Leading Change, Influencing with Integrity, Creating Powerful Networks and Courageous Conversations.

We provide real insight, with tools and techniques that can be used immediately to increase your ability and confidence as a leader.

The course is tailored to the level of experience and the needs of the participants in the room. You will be able to network and learn from professionals from other organisations who are in similar positions. Our expert coach-facilitator team will be on hand throughout to offer side-coaching and additional, targeted support.
